

# *A new contribution to spirituality:* **THE DIAMOND APPROACH PATH**

A free, interactive webinar with A. H. Almaas

Join A. H. Almaas—the founder of the Diamond Approach path—for a free webinar on Sunday, May 5, to learn more about this contemporary path to spiritual awakening and human maturity.

The Diamond Approach path is a dynamic, evolving teaching that leads to openness, freedom, and the realization of the many dimensions of our human potential—especially the amazing secrets of our spiritual nature.

There are no beliefs to accept or ideology to embrace—you simply need a sincere desire to know what is true about yourself.

Combining time-honored spiritual practices like meditation with modern psychological understanding, our methods help you skillfully penetrate obscurations to your inner richness and luminous depth.

As you engage the teaching and its practices, your experience and life transform through many liberating awakenings while your personal embodiment comes to express the beauty, grandeur, and hidden potentials of who you truly are.

We invite you to join us for this free, 90-minute webinar with the path's founder, taking place on Sunday, May 5, at 10:00 a.m. Pacific. After speaking about the Diamond Approach path, A. H. Almaas will also take questions from participants.

## **More about the Diamond Approach:**

The Diamond Approach includes meditation, inquiry, and sensing practices to support those seeking the truth of our human existence. These practices support the unfoldment of each of our soul's unique expressions.

While some spiritual paths focus on learning primarily from a teacher or a guru, the Diamond Approach path bridges time-honored spiritual practices and modern psychological understanding to support your fully digesting and understanding your own experiences.

Its unique teaching method combines small-group meetings and larger-group events with private, one-on-one sessions with expert Diamond Approach teachers.

**May 5, 2019**

**10:00 a.m.–11:30 p.m. Pacific via Zoom**

**Free**
