

## THE DIAMOND APPROACH™

# Objective Conscience, Virtues and Society *with Andreas Mouskos*

Many of us think that spirituality and society are two different spheres of life that have little in common. Well, that can be true and false. In this webinar we will explore this question: does spirituality say anything about society, the structures of society, how to live in a way that is in alignment with spiritual principles? If yes, then what would that be?

**Friday, February 21, 5-7 pm Eastern time**

**Location: Standalone online webinar**

**Cost: Free**
