

THE DIAMOND APPROACH®

A LIFE OF TRUE VALUE

Diamond Approach Florida

We spend much of our lives doing things so that we feel like we have value. We may feel our value is based on our accomplishments, our money, or what society believes is valuable.

Yet, True Value is an essential quality and is intrinsic to who we really are. It is independent from our beliefs, accomplishments, and bank accounts. It is value-as-such.

Essential Value manifests as an Amber sweet liquid that imbues our hearts. It tastes like a delicious, exotic, precious dessert that fills us with delight.

When we are infused with this sweet Amber nectar, it imbues us with a sense of Essential Value. This, in turn, allows us to lead a life of True Value.

Diamond Approach Florida, a new open group, invites new attendees to join us for this weekend. All are welcome! There will be a talk evoking our depth, meditation and personal inquiry exploration.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works in person and online with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.

Laurie Wattell, a Diamond Approach teacher since 1995, works in person and online with groups and individuals living in Florida, California, Atlanta and internationally.
