

THE DIAMOND APPROACH®

JOY OF DISCOVERY

DIAMOND APPROACH FLORIDA

Diamond Approach Florida, a new open group, welcomes anyone living in the Southeast US to join us for this potent, joyful weekend teaching.

There will be talks evoking our depth, meditation, personal inquiry exploration, and an opportunity to inquire with the teacher, while in the supportive online presence of the other group members.

We may feel we need to be serious to be free. Yet, when our inner journey is infused with the Essential Aspect of Joy, our journey—and our lives-- can feel like a lighthearted, playful journey of discovery.

Essential Joy is the source of the curiosity and openness needed to engage our love of the truth. This brings about a sense of adventure in discovering the wondrous treasure that is within us—who we really are. With this discovery, our inner journey and our lives can be transformed.

TEACHERS: **Ilene Buchalter**, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast U.S, and internationally.

Ursula McCall, a Diamond Approach teacher since 2015, works with groups and individuals living in Florida, Hawaii, and internationally.
