

THE DIAMOND APPROACH[®]

Diamond Approach Florida

Real Compassion in a Challenging World

In a world that can feel harsh, many of us need real Compassion. **Diamond Approach Florida**, a new open group, welcomes the public living in the Southeast to this online teaching weekend on April 23-24. All are welcome! There will be talks evoking our depth, meditation and personal inquiry exploration.

When our inner process is infused with the Essential Aspect of True Compassion, our lives can feel enveloped in Loving-Kindness. Particularly when things may feel challenging in our lives, the sensitivity and attunement of the Green essential aspect is needed to allow us to address exactly where our heart is.

The Green aspect's warmth and Compassion are inseparable from the precise understanding that is the hallmark of inquiry, the central practice of the Diamond Approach. In this way, our inner process can become an attuned entry way into our depth, allowing us to be touched by Real Compassion and blossom in our lives.

TEACHERS: **Ilene Buchalter**, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.

Ursula McCall, a Diamond Approach teacher since 2015, works with groups and individuals living in Florida, Hawaii, and internationally.
