

THE DIAMOND APPROACH®

Diamond Approach Florida

Free Webinar: Spiritual Friendship

Diamond Approach Florida, an open group, is offering this free public webinar on April 2nd. Everyone is welcome!

There will be meditation, a talk evoking our depth and personal inquiry.

Spiritual friends share a common orientation of inner growth and self-discovery. They provide a safe and supportive space for each other to explore their familiar selves, their patterns and tendencies. They help us to stay focused and committed to our growth and development. They explore their limitations, open doors to their True Nature and Inner Freedom.

“A real friend will not give you advice because advice does not help understanding....

A true friend will help you arrive at insight about the situation.... So a friend is there, is present, to help you understand, to expose what is there in yourself and thus to understand what the situation is....”

A.H. Almaas Diamond Heart, Book 2, pp180-81
