

THE DIAMOND APPROACH®

Diamond Approach Florida

Free Webinar: Living your Flame

Diamond Approach Florida, an open group, is offering this free public webinar on October 2nd. Everyone is welcome!

There will be meditation, a talk evoking our depth and personal inquiry.

What happens when we feel the desire to know our True Nature?

“A flame is lit, and we experience the wish to know more, see more, be more, feel more. We want to become more consciously aware of what we internally sense to be our potential. We want to discover the depth and meaning in life and existence.” *The Power of Divine Eros*, pg. 76

At this webinar, we will be exploring our aspiration to know our True Nature. Igniting and living our flame allows for our inner transformation and maturation. This in turn enhances our lives.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.
