

THE DIAMOND APPROACH®

Diamond Approach Florida

Free Webinar: Inner Alchemy

Diamond Approach Florida, an open group, welcomes everyone to join us for this Free Webinar April 13, 2025. There will be a talk evoking our depth, meditation, and personal inquiry exploration.

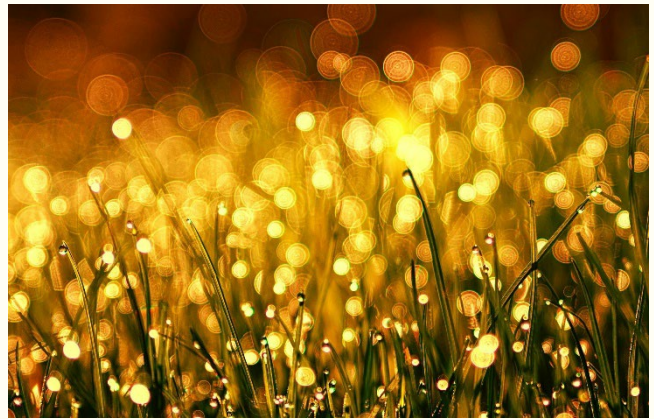

When we experience ourselves as True Nature, we discover that the human being- our mind, heart and body- is the alchemical laboratory where transformation unfolds.

Our consciousness is not just a collection of thoughts and feelings - it is the instrument through which the mystery of alchemy expresses itself. As we begin to see our mind, heart and body as conduits rather than fixed identities, something extraordinary happens. An elixir flows more freely, illuminating the obstacles we encounter and, in doing so reveals the radiant light of our True Nature.

We invite you to step into the alchemical process, where transformation is already unfolding within you.
