

THE DIAMOND APPROACH[®]

Diamond Approach Florida

FREE WEBINAR: INNER STABILITY

Diamond Approach Florida, an open group, welcomes the public to join us for this Free Webinar April 7, 2024.

There will be a talk evoking our depth, meditation, and personal inquiry exploration.

When our inner journey is infused with the Essential Aspect of Will, our inquiry—and our lives-- can be anchored in a steadfast, unwavering sense of inner solidity and stability.

Essential Will is the source of the true support, determination and confidence needed to navigate the challenges and vicissitudes we encounter in uncertain times.

Real Will is an expression of our love of the truth, a love that allows us to rest in the depth of who we really are. This depth holds us with real support, confidence to stay with our experience and groundedness even if the environment feels shaky.
