

THE DIAMOND APPROACH®

UNWAVERING VOYAGE OF DISCOVERY

Diamond Approach Florida

Diamond Approach Florida, a new open group, welcomes anyone living in the Southeast US to join us for this potent teaching weekend. There will be talks evoking our depth, as well as meditation, and personal inquiry exploration.

The Essential Aspect of Will can infuse our inner journey—and our life—so that it can feel like a steadfast, unwavering voyage of discovery.

Essential Will is the source of the true support, determination, and confidence needed to stay on our path and navigate the challenges and vicissitudes we encounter along the way. Real Will evokes our determination to discover the truth of our experience. And our love of truth allows us to discover the wondrous treasure that is within us—who we really are. With this discovery, our inner voyage and our life can be transformed.

TEACHERS: **Ilene Buchalter**, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast U.S., and internationally.
