

# NEW DIAMOND APPROACH® GROUP

## Diamond Approach Seattle 3 – DAS3

*Direct and intimate contact with our immediate experience can connect us to the openness and depth of our True Nature. Living from this depth provides understanding, guidance, and loving support for the inner journey home to the simplicity that we are.*

We are pleased to invite you to join DAS3, a newly forming on-going Diamond Approach group based in Seattle, open to students throughout the Pacific Northwest. DAS3 is a long-term group that meets five times per year taught by Candace Harris, Jane Hill-Daigle and Renie Hope, ordained teachers in the Ridhwan School.

Weekends include meditation, evocative talks, body-based practices, and personal inquiry.

As support for the ongoing work, participants will have one or two private sessions per month with a Ridhwan teacher.

For more information, or to apply to the DAS3 group please contact Candace at [gatherhoney@icloud.com](mailto:gatherhoney@icloud.com), Jane at [hilldaigle@icloud.com](mailto:hilldaigle@icloud.com) or Renie at (206) 365-3817.
