# DIAMOND HEART TEN
INTRODUCTORY EVENT ON ZOOM

The Obstacle is the Way

Most of us, when we encounter an obstacle in our way, we try to avoid it by retreating, going around, over or under it.

On the spiritual path, as well as in many of life's situations, it may be a more productive way to actually engage a different process. If fact, exploring and understanding the obstacle can help us move forward more effectively. The obstacle itself has information in it that is useful to us if we want to make progress in the most efficient way.

Join me in this online event and explore with me this very important topic.

A zoom link will be sent to you the morning of the webinar.

Saturday, February 12, 2022, from 10 am to 12:30 pm Mountain Time.
Taught by Diamond Approach teacher Andreas Mouskos.

Diamond Heart® TEN is scheduled to begin in mid-2022.
In preparation for that, we are offering a series of one and two-day events. We invite you to participate in as many of those as you can. Each time we will present a different topic, aiming at giving you a taste and experience of what this work is about. The Diamond Approach® is a powerful and effective spiritual path for self-realization and self-actualization. This path arose out of an objective need, and is available to anyone who aspires to recognize their True Nature and to actually live that realization of True Nature in our modern society. It was introduced by Hameed Ali, (writing under the pen-name A.H. Almaas) and evolved over the past 50 years.

All events will take place on zoom or at a physical location when the pandemic situation permits.
