DIAMOND HEART TEN INTRODUCTORY ONLINE EVENT

The Space to Be

Most of us are very familiar with the experience of a crowded life: crowded at work, crowded at home, crowded in our minds and hearts.

In this 2.5 hrs online event we will explore the very real possibility of experiencing life in a very different way. We can feel spaciousness both internally and externally in our everyday life. This is a very important aspect of our spiritual development and it can have profound implications on how we live our daily lives.

Please register here.

A zoom link will be sent to you the morning of the event.

Saturday, December 11, 2021, from 10 am to 12:30 pm Mountain Time.

Taught by Chris Krueger

Diamond Heart® TEN is scheduled to begin in mid-2022.

In preparation for that, we are offering a series of one and two-day events. We invite you to participate in as many of those as you can. Each time we will present a different topic, aiming at giving you a taste and experience of what this work is about. The Diamond Approach® is a powerful and effective spiritual path for self-realization and self-actualization. This path arose out of an objective need, and is available to anyone who aspires to recognize their True Nature and to actually live that realization of True Nature in our modern society. It was introduced by Hameed Ali, (writing under the pen-name A.H. Almaas) and evolved over the past 50 years.

All events will take place on zoom or at the **Ridhwan Center**, 5869 Marshall Drive, in Boulder.
