## Diamond Heart Book 1 *Elements of the Real in Man*

The world we live in can seem filled with difficulty and suffering. Who are we in the midst of all of this? And what is the truth about our place and purpose? The Diamond Approach offers a way to explore these questions by becoming aware of and understanding whatever is happening in the moment.

Join us to study the guiding principals and orientation of this spiritual approach to our human essence as presented by A.H. Almaas.
