

DISCOVER YOUR TRUE STRENGTH

The Diamond Approach is a path of wisdom that leads to human maturity and liberation. Our method is one of open inquiry investigating the nature of reality and self; developed and taught by Rihwan, a modern day spiritual school.

The New Zealand Diamond Approach group was formed in 2008. We are fortunate to offer a series of weekend teachings to open the way for new students to join the group.

This weekend is about discovering our true strength. This is a quality of presence that enables us to discriminate truth.

“The more we discriminate, the more we separate from our reactions and self-images, and the more we know ourselves for who we are, which lets us open up to true nature.”

A.H. Almaas
