INQUIRY: REAL JOY IN CHANGING TIMES

As we usher in the New Year, our world is changing. Essential Joy is the source of the curiosity and openness needed to engage our lives fully in these challenging times. This real Joy gives us a sense of adventure in discovering the wondrous treasure that is within us—who we really are. With this discovery, our inner journey and our lives can be transformed.

When inquiry, the central practice of the Diamond Approach, is infused with the Essential Aspect of Joy, our inquiry—and our lives-- can feel like a lighthearted, playful journey of discovery.

Diamond Approach Florida, a new open group, is offering this free public webinar. All are welcome. There will be a talk evoking our depth, meditation and personal inquiry exploration. These teachings and practices have the potential to help us meet the challenges of these times.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works in person and online with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.

Caroline Pietrangelo Owens, a Diamond Approach teacher since 2016, works in person and online with groups and individuals living in Florida, California, throughout the United States, and internationally.
