

THE DIAMOND APPROACH®

INQUIRY: STEADFAST ODYSSEY

Diamond Approach Florida, a new open group, welcomes anyone living in the Southeast US to join us for this potent teaching weekend. There will be talks evoking our depth, as well as meditation, and personal inquiry exploration.

Inquiry, the central practice of the Diamond Approach, is a unique way for us to become intimate with, and to understand our personal experience in the moment.

When inquiry is infused with the Essential Aspect of Will, our inquiry—and our lives-- can feel like a steadfast, unwavering odyssey of discovery.

Essential Will is the source of the true support, determination, and confidence needed to stay on our path and navigate the challenges and vicissitudes we encounter along the way. Real Will evokes our determination to discover the truth of our experience. And our love of truth allows us to discover the wondrous treasure that is within us—who we really are. With this discovery, our inner odyssey and our lives can be transformed.

On Friday evening, please join us for an “Introduction to the Diamond Approach”-- a chance to meet the teachers and find out about this precious path.

TEACHERS: *Ilene Buchalter*, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast U.S, and internationally.

Noell Goldberg, a Diamond Approach teacher since 2015, works with individuals in Florida, the East Coast, and abroad.
