

THE DIAMOND APPROACH®

# Share your voice

The Ridhwan Foundation launched the A.H. Almaas blog *Points of Interest* a few months ago to facilitate conversations with A.H. Almaas and people across the world about the Diamond Approach teaching and its application in the world.

The *Points of Interest* blog has given voice to issues about the coronavirus pandemic, systemic racism and tender experiences of love. Simply click the button below to access the A.H. Almaas *Points of Interest* blog.
