

THE DIAMOND APPROACH[®]

FREE WEBINAR-- INQUIRY: JOYFUL JOURNEY

Diamond Approach Florida, a new open group, invites you to join us for this free webinar on March 24, 7-9pm EDT. We meet in-person for three teaching weekends a year. There are also online inquiry series meetings in between the in-person meetings. Our next in-person weekend meeting is April 4-5, Inquiry: Power To Be Real.

In this webinar on March 24, there will be a teaching invoking our depth, meditation, personal inquiry exploration, and an opportunity to explore further with the teacher in the supportive online presence of the other webinar participants. Preregistration is required so that we can send you a Zoom invite.

Inquiry, the central practice of the Diamond Approach, provides a unique way for us to understand and become intimate with our personal experience in the moment.

When inquiry is infused with the Essential Aspect of Joy, our inquiry—and our lives-- can feel like a lighthearted, playful journey of discovery.

Essential Joy is the source of the curiosity and openness needed to engage our love of the truth. This brings about a sense of adventure in discovering the wondrous treasure that is within us—who we really are. With this discovery, our inner journey and our lives can be transformed.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast U.S, and internationally.

Noell Goldberg, a Diamond Approach teacher since 2015, works with individuals in Florida, the East Coast, and abroad.
