Race and Ridhwan

A Shadow on the Soul

CONTINUING AND DEEPENING THE CONVERSATION

How do we come to recognize and understand the impact of racism on our souls?

What are the structures, conditioning, and history that we live out as a result of racism and privilege in the US?

How do these shape our lives, our awakening, our path, our school?

These are some of the questions that brought a small group of DASF students together in 2013 to begin an inquiry about race.

It is with deep love and respect that we invite interested students and teachers to join us in this inquiry.
