

A DIAMOND APPROACH BOOK STUDY GROUP

# SPACECRUISER INQUIRY: TRUE GUIDANCE FOR THE INNER JOURNEY

Join us in exploring "Spacecruiser Inquiry" by A.H. Almaas, founder of the Diamond Approach, a contemporary path to realization.

Inquiry into our experience is the central practice of the Diamond Approach. In this 11-session voyage of discovery we will engage with how inquiry can invite in and harmonize with the Diamond Guidance, a pure loving stream of revelation that nurtures the return of the soul to its true ground and source.

We will include both experiential exercises and a study of the text with the intention of deepening your understanding of the inquiry practice. Open to everyone including those new to the Diamond Approach.

"The Diamond Guidance is one of Being's greatest gifts to the human soul. When it descends into our consciousness, this living presence gives us access to the magnificent depth and richness of the spiritual life. It guides our journey of inner awakening. It reveals to us the true meaning of our experience."
