

# THE ANIMAL SOUL

AN ONLINE DIAMOND APPROACH SEMINAR

FEBRUARY 26, 27 & 28, 2021

OPEN TO THE PUBLIC AND EXISTING STUDENTS

In this weekend we will explore the soul structure we call **“the Animal Soul.”** This structure underlies the soul child, and the ego structure. When recognized and freed from the structuring in our consciousness, this **vital and pure instinctual energy** can be made available for a more creative and balanced outer life.

The Animal Soul then is a **powerful ally on the inner journey to awakening.**

We will work with teachings, exercises, and discussion to bring these often-hidden unconscious drives and impulses into our awareness and see how and where in our life they obstruct our capacity to live our better wisdom and realization.

We will explore the process of maturation that happens through the **understanding, appreciation, and integration of the Animal Soul.**

*The Diamond Approach is a path of wisdom through direct experience. It recognizes the uniqueness of each individual and adapts itself to each person's needs at the time. It does not require that people adapt to some ideal, but welcomes people as they are and helps them to take the natural next step for their unique development.*
