What is the relationship between inquiry and Compassion?

Inquiry, the central practice of the Diamond Approach, offers a doorway to our true home. The Loving-Kindness and attunement of the Green essential aspect artfully allows our inquiry to address exactly where our heart is.

The Green aspect's warmth and Compassion are inseparable from the precise understanding that is the hallmark of inquiry. In this way, our open-ended inquiry can become an attuned entry into our depth.

TEACHERS: Ilene Buchalter, a Diamond Approach teacher since 2002, works with groups and individuals living in Florida, Colorado, the Southeast, across the U.S., and internationally.

Ursula McCall, a Diamond Approach teacher since 2015, works with groups and individuals living in Florida, Hawaii, and internationally.
