

THE DIAMOND APPROACH®

Diamond Approach Florida *Free Webinar: Rooted in The Ground of Being*

Diamond Approach Florida, an open group, welcomes everyone to join us for this free public Webinar on September 28, 2025. There will be a talk evoking our depth, meditation, and personal inquiry exploration.

In today's world, we are flooded with information, opinions, images competing for our attention. The mind trying to make sense of it all, can become overwhelmed and unsure what is real.

".....the mind can be deceived, even by itself. Being on the other hand, is pure reality. It is the actual stuff and consciousness of truth. And cannot be deceived....."A.H. Almaas, Pearl Beyond Price, p.163

We invite you to explore how the main practices of the Diamond Approach - Meditation and Inquiry- help to cultivate the consciousness of truth and root us in Being, a source of clarity, stability and authenticity. This very ground is alive with the dynamism of True Nature that nourishes the heart, clarifies the mind and guides the soul's unfolding.
