Diamond Approach Florida

Free Webinar: Fiery Inner Freedom of Aliveness

Diamond Approach Florida, an open group, welcomes everyone to join us for this Free Webinar June 30, 2024. There will be a talk evoking our depth, meditation, and personal inquiry exploration.

What is true inner freedom?

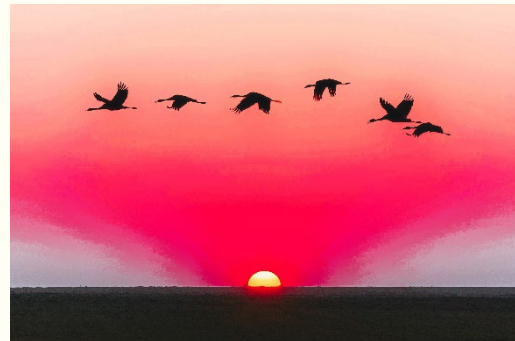

The Red Essence manifests as a fiery aliveness that gives us a sense of courage and allows us to feel that we can meet the challenges we face.

When our inner journey is infused with a bold spirit-- a fiery kind of heart-- it imbues us with a sense of real aliveness and strength. This makes us feel capable, bold, and courageous. We need this real boldness and fiery aliveness to help us feel more free of the trappings of our historical, habituated sense of ourselves.

True inner courage, aliveness, and fiery strength give us a sense that we have the capacity to confront our identifications. This, in turn, energizes our inner journey, allowing us to discover who we really are at our depth and to be truly free.
