

THE ART OF COMPASSIONATE INQUIRY

DIAMOND APPROACH FLORIDA

FREE WEBINAR – JANUARY 5, 2020, 12N-2PM EASTERN TIME

Inquiry, the central practice of the Diamond Approach, offers a doorway to our true home. The Loving-Kindness and attunement of the Green essential aspect artfully allows our inquiry to address exactly where our heart is. The Green aspect's warmth and Compassion can be inseparable from the precise understanding that is the hallmark of inquiry. In this way, our open-ended inquiry can become an attuned entryway to our depth.

The open Diamond Approach Florida group is welcoming anyone living in the Southeast U.S. We meet three times a year in person. We also have online series offerings in between the in-person meetings. Our next in-person meeting is Inquiry: Powerful Journey of Peace – January 31-February 1-2, 2020, St. Petersburg, FL.

To find out more about Diamond Approach Florida, please join us on January 5 for this free webinar. There will be evocative talks, personal inquiry exploration, and an opportunity to explore further with the teachers while in the supportive online presence of other webinar members. Preregistration is required so that we can send you a Zoom invitation.
