

Diamond Approach® Book Study

Spacecruiser Inquiry

Fall '20--begins Sept 22

We will present a **study/inquiry group** based upon the teachings of A. H. Almaas found in the book “Spacecruiser Inquiry”. The Diamond Approach is a **contemporary spiritual path** for our time based upon the findings of modern psychology and the ancient wisdom traditions.

Each session will present a theme to **develop the art and skill of spiritual inquiry**. Among the topics explored are: Openness, **Not Knowing**, the Adventure of Inquiry, **Loving the Truth**, Steadfastness on the Path and Finding our **Personal Thread**. In all explorations we seek to see for ourselves personally and orient toward the **discovery of our authentic selves**.

Each meeting will have a teaching, a guided personal inquiry and time for questions, based upon “Spacecruiser Inquiry” by A. H. Almaas. The theme of the book is learning to connect to our inner wisdom and guidance.

Sessions will be taught by Lou Weir, Diamond Approach Teacher. Students should plan to be ready for inquiry in groups of 2 or 3. Each session will be conducted over Zoom.
