Curiosity: A Portal to Love on the Spiritual Path

April 15, 2018 – 2:00– 5:00 p.m. – 2212 Fairmount Ave. Fort Worth TX, 76110

In this talk we will explore the Function of Love on the Spiritual Path with questions such as “How does love impact and inform our spiritual journey”?

“What does love mean to us”? “How do we access love as we traverse the spiritual path”?

We will look closely at curiosity as a portal to love on the spiritual journey. Join us as we explore how curiosity, an expression of our soul’s joy, openness and aliveness, illuminates our path and leads us to the beginning of a heart-centered love affair with the truth. There will be an opportunity for experiential exercises, personal inquiry, and a group discussion.

Annette Anderson is a teacher in the Ridhwan School, home of the Diamond Approach. She has been participating in the Diamond Approach since 2004 and currently lives and practices in Dallas TX.

The **Diamond Approach®** to self-realization is a contemporary spiritual path integrating the teachings and practices of the ancient wisdom traditions with modern depth psychology. Developed by Hameed Ali, it is an ever-evolving teaching that emphasizes the realization and living of our True Nature “in the world”.

Open to the public. Talk will be followed by a sharing of food & socialization.
