

# WAKING UP TO PRESENCE

**“The presence of pure consciousness turns out to be the ultimate building block of our psychic life, the ultimate ground of our soul”**

A.H. Almaas, the Inner Journey Home Ch 9

This teaching offers participants an opportunity for an experiential understanding of Presence and Essence.

The weekend will include presentations, meditation practices and an opportunity to explore and integrate the material through your own process.

The Diamond Approach is a path of wisdom, an approach to the investigation of Reality and work on oneself that leads to human maturity and liberation.
